36. You can get it if you really want

Jimmy Cliff, 1970 (uden vers 1)

You can get it if you really want You can get it if you really want You can get it if you really want But you must try, try and try, try and try You'll succeed at last,

Rome was not built in a day Opposition will come your way But the harder the battle you see Is the sweeter the victory now

You can get it if you really want You can get it if you really want You can get it if you really want But you must try, try and try, try and try You'll succeed at last
